

IMPORTANT INFORMATION ABOUT YOUR DRINKING WATER

BOIL WATER NOTICE HAS BEEN LIFTED

Bowie Water Improvement District (WID)

Notice Date: October 22, 2026

What Happened?

On October 20, 2026, Bowie WID issued a precautionary boil water notice due to a water main break. The necessary repairs have been completed, and **all required water samples have returned clear results. The precautionary boil water notice has been lifted.**

What Should You Do?

Customers may resume normal use of tap water for drinking, cooking, and other household purposes. Boiling water is no longer necessary as a precaution related to this incident.

What Has Been Done?

Bowie WID worked with its Certified Drinking Water Operator to complete the necessary repairs and corrective actions associated with the water main break. The system has completed the required steps to lift the precautionary boil water notice.
