

DRINKING WATER PROBLEM CORRECTED

Customers of Joshua Valley Utility were notified on October 12 of a pre-cautionary boil notice prompted by damage caused by a storm. **We are pleased to report that it is no longer necessary to boil your drinking water prior to consumption.** We thank you for your patience.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly. You can do this by posting this notice in a public place or distributing copies by hand or mail.

This notice is being sent to you by Joshua Valley Utility / Southwestern Utility Management and posted/sent on October 16, 2025 by Joshua Valley Utilities, Public Water System ID #
